

## Virginia Starkweather

Pauline plays the piano for the Lions and Rotary Club weekly meetings. She says not many women get to eat that often with so many men.

Pauline and Lloyd ride with Marcia Newell to Lions Club meetings weekly. Several of the Lions noticed they arrive together and that Lloyd gets the food for Pauline. They said jokingly to Pauline "It looks like you and Lloyd have something going there". Pauline replied "It all started when Lloyd and Virginia moved next door to me".

We have fond memories of watching fireworks from the deck of Pauline's house and neighborhood parties in her back yard.
